We'd like your feedback.

The purpose of the WCO's safety certificate program is to train WCO members and their employees in occupational safety and health in order to reduce incident rates. Participants have the opportunity to earn a certificate upon completion. The certification program curricula is based upon various industry topic areas.

PROGRAM CHARTER

How to attain certification?

1. At least one key employee from each operation attends a biennial, face-to-face training. All are encouraged to attend.
2. Key employee trains colleagues and returns signatures to WCO.
3. Key employee attends a biennial safety seminar at the symposium.
